

# The best Santa ever?

## Victor

I'm 35. I live in London. I go to the gym every day and I eat healthy food. I think reading books is cool so I read every day. I hate doing the shopping and vacuuming the carpets. In the past I was a plumber and a security guard. Dreams? I'd like to start a family and buy a new car. I love fast and modern cars.

## Robert

I'm from Glasgow. I'm a shop assistant and I hate my job. I'd like to be an influencer. I'm punctual and I like meeting new people. I can't cook and drive a car so I ride a bike every day. I've never lived abroad so I want to try it in the future. Maybe Spain or Italy?

## Oscar

I'm Smith, Oscar Smith. I'm handsome and intelligent. I'm from Berlin. I like parties, fast food and lazy days. I work as a taxi driver and I think this job is great because I can work at nights and sleep in the mornings. I often watch comedies and listen to rock music. Sunday is my favourite day of the week. I love summer and lying on the beach. I'd like to be rich and famous.

## Bobby

I live in New York and I'm 40. I love spending my time with my family. I have a wonderful wife and three great kids. They're 11, 8 and 5. I like skiing and skating with them. I work as a computer programmer so I spend lots of time in my office. After work I play with my kids. I often cook dinner and walk the dog. My dream? Happy future for my family.

## Simon

I live in Liverpool and I like hiking. People think I'm old but I'm only 24. I play in a band and write songs. I live in a block of flats. I hate washing the dishes and cooking so I eat cereal and spaghetti almost every day. I want to travel. I hate being bored and wasting my time.
